Explore New Solutions

In the rapidly evolving world of electronics design and manufacturing Elextrex provides the ideal opportunity to compare and source the latest products, technologies, and solutions to keep you updated and ahead of the competition.

Design and Electronic Engineers, OEMs, Scientific, Communications and Industrial Professionals and Managers, are invited to attend this event showcasing the latest innovations in design, product and system assembly, manufacturing, R&D, test, measurement, service, and distribution. **This specialised B2B** event continues to experience strong growth and is the leading electronics technology exhibition and conference in Australasia.

Engage directly with industry experts and discover the right solutions for your business.

Meet Leading Suppliers

Following is just a sample of who you will see. Visit the website for the latest exhibitor list.

AAEON*	Eurotherm*	Marque Magnetics Ltd	Re-Surface Technologies
ABP Electronics Limited	Feather Graphics India	Mastercut Technologies	Rigol Technologies*
Accooneer*	Fibocom Wireless Inc	MB Tech*MB Tech*	Rohde & Schwarz (Australia)
ADM Instrument Engineering	Finch Electronic Solutions	Mean Well*	ROLEX OKW - ANZ
Advantech*	Finenet Electronic Circuit Ltd	Mektronics Australia	RuiFeng RF Technology
AIM Solder Australia	Fluke*	Metcase*	Supply
AIM Training	FS Bondtec*	Microchip Technology	S C Manufacturing Solutions
Altium	Genesys Electronics	Microchip*	Shenzhen Cirket Electronics
Altronic Distributors	GKG*	Micron*	Shenzhen Sanpin Mould
AMD*	Globalink Electronics	Midori*	Schurter*
Ampec Technologies	Glyn Limited	Mission 4	Semitech Semiconductor
AppVision	GPC Electronics	Monolithic Power Systems*	Sensirion*
ASRock*	GW-Instek*	Multicomp Pro*	Silvertone Electronics
Asscon*	Hammond Electronics	Multispec Trading	Stars Microelectronics
Avnet*	Harogic Technologies	Nordic Semiconductor*	Suba Engineering
BDTronic*	Hawker Richardson	NPA Pty Ltd	Surface Mount & Circuit
BEC Technologies	HCC International	NZFH Ltd	Switches Plus Components
Benbro Electronics	HIKMICRO*	Okay Technologies	Board Association
Braemac	Hua Wei Industrial Co Ltd	ONboard Solutions	Taoglas*
Cleverscope	Humiseal/Chase Corp*	Ononmondo*	TDK Lambda*
Chemtools	HW Technologies	On-track Technology	TE Connectivity*
CNS Precision Assembly	IMP Electronics Solutions	Oritech	Techal Solutions
Coiltek Electronics	Industry Update	Oupii*	Teledyne FLIR*
Congatec Australia	Infineon Technologies	PCBWay	Telit Cinterion*
Control Devices Australia	Interflux*	Pendulum*	Thermo Fisher*
Curiosity Technology*	Inventec*	Phoenix Contact	Uni-T Instruments*
Digilent/Emerson	Japan Unix*	Pillarhouse*	VGL - Allied Connectors
DLC Display*	JBC Soldering*	Powertran*	Vicom Australia
Dyne Industries	Juki incl.Cirrus*	Precision Electronic-	Viscom*
Electro Harmonix*	Keysight*	ProfTek	Whats New in Electronics
Element 14	Koh Young*	Technologies	Win-Source Electronics
Embedded Logic Solutions	Kolb Cleaning Technology*	Radytronic*	Wurth Electronics
Emona Instruments	Komax Group inc Schleuniger*	RAK Wireless*	Xentronics
Entech Electronics	Leach (SZ) Co Ltd	Rapid-Tech	Yamaha*
Epson Singapore	Lintek	Raspberry Pi*	Yokogawa*
ESI Technology Ltd*	LPKF Laser & Electronics*	Rehm Thermal Systems*	
Europlacer	Macnica Australia		

* Denotes - Co-Exhibitor Company/Brand Represented by Exhibitor

New Products and Technology

- Artificial Intelligence (AI)
- Assembly Equipment
- Board Cleaning Systems
- Cables & Connectors
- CAD & Manufacturing Software
- Contract Manufacturing
- Displays/ LEDs & LCDs
- Education & Training
- Electronic Components
- Embedded Computers, Systems
- EMI/EMC Control & Certification
- Enclosures
- Flexible Electronics
- Identification and Labelling
- Inspection Equipment
- IOT
- PCB Design
- PCB Fabrication & Test
- Power Supplies
- Service & Repair
- Soldering Supplies
- Soldering and Rework Tools
- Storage & Packaging
- Test & Measurement
- Wire & Harness

Who Should Attend

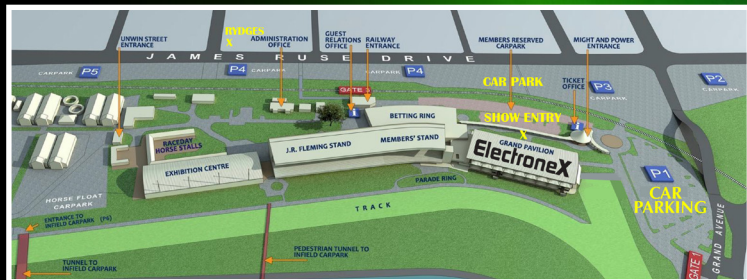

Professionals from the following industries are invited

- Automotive, Aviation and Transport
- Broadcast, IT and Communications
- Consultants • Agents • Distributors
- Defence, Security, Government & Utilities
- Industrial, Mining and Construction
- Medical and Biomedical
- OEMs, General Manufacturing and Engineering
- Product Design and Systems Integration
- Scientific, R&D, Education and Training
- Test, Measurement, Service and Repair

Rosehill Gardens Grand Pavilion - Sydney

Wednesday 3 June 2026 10.00 am - 6.00 pm

Thursday 4 June 2026 9.00 am - 4.00 pm

SMCBA CONFERENCE & SEMINARS

Now in its 37th year engage with Australia's industry leaders and experts at the SMCBA Electronics Design and Manufacture Conference. The Surface Mount and Circuit Board Association will also be hosting the 3rd Hand Soldering Competition where visitors can compete to be the next Australian champion.

Free seminars will also be held on the show floor where exhibitors will present the latest hot topics and new technology.

For conference details visit www.smcba.asn.au
